

WATER SERVICE TURN-ON/RECONNECTION RELEASE AGREEMENT

THIS SERVICE RECONNECTION RELEASE AGREEMENT is entered into on the date set forth below by and between the Pace Water System ("Pace") and the undersigned Customer.

1. The undersigned Customer understands that when Pace turns on or reconnects Customer's water service, it will pressurize the plumbing at Customer's premises that may cause leaks, flooding, or excessive water flow and usage at Customer's premises.
2. The undersigned Customer understands that he/she is responsible to ensure that all faucets and plumbing fixtures are turned off and there is no water leaking from the plumbing fixtures or system that could cause damage at Customer's premises.
3. For the consideration of Pace turning on the water service at Customer's premises, Customer does, for him or herself, or their heirs, successors, and assigns, hereby release, acquit, and forever discharge Pace and any of its officers and employees from any and all claims, suits, damages, costs or expenses, including attorneys' fees and litigation expenses, resulting from Pace turning on or reconnecting the water service at Customer's premises.
4. Customer hereby covenants and undertakes to forever refrain and desist from asserting against Pace and any of its officers or employees any claim, demand, or suit resulting directly or indirectly from Pace, or agent acting on its behalf, turning on or reconnecting the water service to Customer's premises.
5. Customer hereby expressly agrees to indemnify and hold harmless Pace, or its agent acting on its behalf, and any of its officers and employees from any damages, costs, or expenses, including attorneys' fees and litigation expenses incurred by or on behalf of the Pace, or its agent acting on its behalf, and any of its officers and employees, resulting from Pace turning on or reconnecting the water service to Customer's premises.
6. The undersigned acknowledges that he/she is at least 18 years of age and is the Customer, or specifically authorized by the Customer, at whose premises the water service will be turned on and has the legal authority to enter into this Release Agreement for the premises listed below.
7. This Release Agreement contains the entire agreement between the parties hereto, and the terms of this Release Agreement are contractual and not a mere recital. Customer understands that Pace is expressly relying on the covenants, responsibilities, and obligations undertaken herein by the undersigned Customer as being a decisive factor for turning on or reconnecting the water service to Customer's premises.
8. Customer further states that he/she (i) has had ample time to carefully read the foregoing Release, (ii) fully understands the obligations and responsibilities imposed herein, (iii) agrees to be bound hereby, and (iv) agrees to sign the same as his or her own free act.
